***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Independent claims 18 and 25, when considered as a whole, are allowable over the prior art of record. Prior arts of record do not teach or suggest the steps of displaying a first layout comprising the checklist, the checklist displayed on a first section of the display and including a plurality of tasks, at least one task capable of receiving user input and a displaying a second layout without user input comprising the checklist and the aircraft data related to the first task wherein determining whether to display aircraft data related to a first task of the plurality of tasks and storing the second layout in a memory wherein if a determination is made to display the aircraft data related to the first task, the checklist displayed on the first section of the display and the aircraft data related to the first task displayed on a second section of the display.

Specifically, Messinger [US. 7,000,187] in view of Durlacher [US. 6,633,801] fail to teach the feature of displaying a checklist on a display of an aircraft from the terminal in light of the invention specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
